AXA Selection Fidelity European Equity will aim to achieve its objective by investing in equities and equity-related securities (such as ADRs and GDRs) listed and traded on Regulated Markets in Europe. AXA Selection Fidelity European Equity may also invest in companies (which may be small, medium or large capitalisation companies) established outside Europe but which derive a significant proportion of their sales from Europe. AXA Selection Fidelity European Equity is not subject to any limitation on the portion of its net assets that may be invested in any one country, region or sector. AXA Selection Fidelity European Equity may invest up to 5% of its Net Asset Value in equities and equity-related securities listed or traded in Russia.

In pursuit of its investment objective AXA Selection Fidelity European Equity may employ FDI for investment purposes or efficient portfolio management purposes in accordance with the provisions of the Prospectus and the limitations set down in Appendix II to the Prospectus. Investments in FDIs may include, but are not limited to equity index futures (which will be used to gain efficient exposure to equities or equity related securities). AXA Selection Fidelity European Equity will only utilise FDI which are included in a risk management process submitted to and cleared by the Central Bank.

In relation to total return swaps, the Manager expects that such transactions will apply to 0% of the Net Asset Value of AXA Selection Fidelity European Equity, however AXA Selection Fidelity European Equity may enter into such transactions up to 100% of its Net Asset Value.

AXA Selection Fidelity European Equity may enter into securities lending, repurchase and/or reverse repurchase agreements solely for the purposes of efficient portfolio management in accordance with the provisions of the Central Bank Requirements and Appendix II to the Prospectus. The Manager expects that lending of securities and repurchase transactions will apply to 0% of the Net Asset Value of AXA Selection Fidelity European Equity, however, AXA Selection Fidelity European Equity may enter into such transactions up to 100% of its Net Asset Value. The Manager expects that borrowing of securities and reverse repurchase transactions will apply to 0% of the Net Asset Value of AXA Selection Fidelity European Equity however AXA Selection Fidelity European Equity may enter into such transactions up to 100% of its Net Asset Value. Details on the past utilization of these transactions are contained in the AXA Selection Fidelity European Equity annual report.

Global exposure of AXA Selection Fidelity European Equity will be measured and monitored using the commitment approach. AXA Selection Fidelity European Equity may be leveraged up to 100% of its Net Asset Value as a result of its use of FDI. AXA Selection Fidelity European Equity may also borrow up to 10% of its Net Asset Value temporarily.

RISK FACTORS

Unitholders and potential investors are specifically referred to the section headed "Risk Factors" in the Prospectus.

In addition, Unitholders should be aware that, while the use of FDIs may be beneficial, FDIs also involve risks different from, and, in certain cases greater than the risks presented by more traditional investments. The use of FDIs may cause the Unit price to be more volatile. For a further description of risks relating to the use of FDIs please refer to the "Risk Factors" section of the Prospectus.

INVESTMENT AND BORROWING RESTRICTIONS

AXA Selection Fidelity European Equity is subject to the investment and borrowing restrictions set out in the Regulations and in Appendix III to the Prospectus. In addition, investment by AXA Selection Fidelity European Equity in Russian listed or traded securities shall be limited to those securities which are listed or traded on Russian Trading System Stock Exchange (Level 1 or Level 2) and on the Moscow Interbank Currency Exchange.

RESTRICTIONS ON DISTRIBUTION IN JAPAN

The Units may not be offered for a public offering in Japan unless a securities registration statement pursuant to Article 4, Paragraph 1 of the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended; (the "FIEA")) has been filed with the Director of the Kanto Local Finance Bureau of the Ministry of Finance of Japan.

No securities registration statement pursuant to Article 4, Paragraph 1 of the FIEA has been made or will be made with respect to the solicitation for the purchase of the Units in Japan as such solicitation is made by way of the Private Placement of Securities as defined in Article 2, Paragraph 3 of the FIEA and falls within the Solicitation for Qualified Institutional Investors (as such term is defined in Item 1, Paragraph 3 of Article 2 of the FIEA and Paragraph 1 of Article 10 of the Cabinet Office Ordinance on Definitions provided in Article 2 of the Financial Instruments and Exchange Act (Ordinance No. 14 of 1993 of the Ministry of Finance, as amended); hereinafter the same) as defined under Article 23-13, Paragraph 1 of the FIEA.

The Units may be offered in Japan to Qualified Institutional Investors only. A Unitholder in Japan who subscribed for or acquired the Units may not to, directly or indirectly, sell, exchange, assign, mortgage, hypothecate, pledge or otherwise transfer its Units (or any interest therein) in whole or in part to any party other than to another Qualified Institutional Investor.

The Unitholder, when assigning or otherwise transferring its Units pursuant to the transfer restriction in the preceding paragraph, shall notify the assignee or the transferee of the matters described in the preceding two paragraphs in writing prior to or at least simultaneously with the assignment or the transfer.

The Manager for the account of this Fund has filed a notification statement with the Commissioner of the Financial Services Agency of Japan (the "FSA") pursuant to the Act on Investment Trusts and Investment Corporations of Japan in connection with the private placement of the Units in Japan. A report with respect to the placement and redemption of the Units may be filed by the Manager with the Ministry of Finance of Japan as required in accordance with the terms and conditions of the Foreign Exchange and Foreign Trade Act of Japan.

MANAGEMENT AND ADMINISTRATION

Investment Manager

The Manager has delegated responsibility for the investment and reinvestment of the assets of AXA Selection Fidelity European Equity to FIL Pensions Management pursuant to the terms of an investment management agreement (the "Agreement"). The Agreement provides that FIL Pensions
